ARCHAEOLOGICAL AREAS OF POMPEI, HERCULANEUM AND TORRE ANNUNZIATA

Pompeii, Herculaneum, and Torre Annunziata are three cities in Campania that were buried when Mount Vesuvius erupted in 79 AD. When the volcano erupted, the ashes covered everything within a few hours, preserving the image of these places like a photograph.

BRING LIFE BACK TO THE VIA DELL'ABBONDANZA. RECREATE THE HOUSES AND FILL THE STREET WITH ANCIENT ROMANS.
