CILENTO AND VALLO DI DIANO NATIONAL PARK WITH THE ARCHEOLOGICAL SITES OF PAESTUM AND VELIA, AND THE CERTOSA DI PADULA

The National Park of Cilento and Vallo di Diano is a place where nature and history meet. Here you'll find the ancient Greek temples of Paestum, the city of Velia, once home to a famous philosophy school, and the Certosa di Padula, an impressive baroque monastery. Between mountains, caves, and sea, this park tells stories of past civilizations and unique landscapes.

THE TOMB OF THE DIVER (480 BC) IS KEPT IN THE NATIONAL ARCHAEOLOGICAL MUSEUM OF PAESTUM. IMAGINE HOW THE BACKGROUND OF THIS SCENE MIGHT LOOK, AND ENRICH THE LANDSCAPE WITH YOUR IMAGINATION. HOW DO YOU IMAGINE THIS MOMENT?
