VILLA D'ESTE (TIVOLI)

The Villa d'Este in Tivoli is a magnificent palace with a garden full of water features, waterfalls, and plants. It's famous for its fountains that work without electricity – just by the power of flowing water! It was built in the 16th century by a cardinal and is now protected by UNESCO for its beauty and inventive spirit. It's like a magic garden!

IN VILLA D'ESTE THERE ARE 50 FOUNTAINS, 255 WATERFALLS, 250 WATER JETS, AND 60 WATER SOURCES. DRAW YOUR DREAM FOUNTAIN.
