THE COLLINE DEL PROSECCO DI CONEGLIANO E VALDOBBIADENE

On the Prosecco Hills of Conegliano and Valdobbiadene grow the grapes used to make Prosecco, a famous white and sparkling wine. These hills are special because the way farmers work has created a unique landscape. Today, the hills are also a perfect place for walking and admiring nature.

DRAW YOUR OWN LANDSCAPE OF VINEYARDS, FARMS, AND CELLARS LIKE THAT OF THE PROSECCO HILLS!
